

X-RAY EQUIPMENT

MULTIPURPOSE X-RAY & SURGERY ROOM WITH MOBILE STAND

The MULTIPURPOSE X-RAY & SURGERY ROOM with mobile stand solution is designed to allow greater use of real estate space, where a practice may or may not have enough space for a separate X-ray room or where would prefer to maximize available floor space in the clinic. This solution is perfect for integrating your existing or new portable x-ray generator. This table allows use of a portable X-ray generator as the main x-ray source - **providing you with more flexibility to use your portable generator in practice or on the field.**

Features:

- Nicely integrated design
- Easy & simple installation
- User friendly interface (Easy to learn)
- Visible status at all time
- Compact size
- Suitable for VET clinics with low budget.

Lead time: Subject to stock availability, transit times and radiation licensing. Estimated shipping date to be provided once the purchase is confirmed
